SOFTBALL WINTER CLINICS

We at Hofstra Softball are dedicated to providing intense softball instruction essential to the development of the young softball player. These are the best clinics you will ever attend!!! Our Winter Clinics are taking the Hofstra Clinics to the next level with more advanced skills and instruction. The Hofstra coaches drill the skills while providing continuous feedback to the athletes. There is a camper to staff ratio of 7:1. Most of the skill work is preceded by "master lessons" given by the Hofstra University Softball Coaching Staff. In addition to individual skills, we spend a considerable amount of time on teaching the finer points of position play.

PAYMENT: 100% of the payment is paid in advance by CHECK payable to Hofstra University.

DISCOUNTS: A team discount of \$25 is awarded per camper for 10 or more registering together.

A \$10 discount is awarded to campers registering for more than one session.

REFUNDS: There will be no refunds if camp is not notified earlier than one week before the session begins.

EQUIPMENT: Each player must bring her own marked glove, bat and water bottle. Catchers must supply their own equipment. Pitchers do NOT need to bring their own catchers.

She has helped the Pride to 11 Colonial Athletic Association Tournament championships and 10 NCAA Tournament appearances. She has also helped the Pride win 18 NCAA Tournament games in the last eight years. Anderson was part of the staff that helped Hofstra win the program's first-ever regional championship in 2012 as the Pride advanced to the Super Regionals; finishing one win shy of the Women's College World Series. She has been a part of a Hofstra staff that has won the Mid-Atlantic Region Coaching Staff of the Year Award from the National Fastpitch Coaches Association in 2003, 2004, 2005., 2007, 2008, 2012, 2013 and 2015.

Meyer served as the first base and infield/catchers coach with the Mississippi program. Meyer was part of Anderson's staff in 2015 that won the Northeast Region Coaching Staff of the Year award. During her time in Oxford, Mississippi, Meyer was responsible for player development while serving as a liaison with the school's academic support staff. On the field, she focused on defensive skills and developing the program's slap hitters. She also was responsible for coordinating team travel, organizing the Ole Miss softball camps, and recruiting. Meyer also was an assistant at Memphis in 2011. Meyer started her coaching career as a volunteer assistant coach at the University of California, where she played as a first baseman and catcher from 2004 to 2008. At the time of her graduation, she ranked fourth all-time in the program's history with 25 home runs. She slammed a walk-off ninth inning single in the 2008 NCAA Regional Championship game, which sent the Bears to the Super Regional. In 2005, the Bears advanced to the College World Series with Meyer starting every game at first base. She played on three NCAA Regional qualifiers in total.
